May be subject to changes. Currently all in Room **S101/A5**

## 4. Teaching Resources

- ❖ All resources will be available on the Moodle platform
  - Exercise assignments (typically one week before the exercise date)
  - Solutions (directly after the exercise date)
  
- ❖ Location
  - <https://moodle.tu-darmstadt.de/>
    - Course: FB18 - PS - Peer-to-Peer Systems and Applications (SS 2015)
    - Direct link: <https://moodle.tu-darmstadt.de/course/view.php?id=4764>

## 5. Bonus

❖ A bonus of an 1/3 grade can be achieved for the exam

➤ Examples:

- Prelim grade 2.0 and bonus obtained -> Final Grade 1.7
- Prelim grade 2.7 and bonus obtained -> 2.3

❖ You will obtain the bonus, if and only if

- You have handed in 6 of 7 exercises before the exercise discussion.
- You fulfill some requirements for the lab (will be discussed in the lab intro).

AND

**The bonus *\*cannot\** be applied to turn an insufficient grade at the exam to a sufficient one.**

If the result of the exam is a grade >4 then the bonus is not applied.
